COVER PICTURE

The impressive, breedy-looking bulls on the cover were the first-prize pair of bulls at the 1954 International Live Stock Exposition. Shown by House & Benroth, well known Ohio breeders, these bulls headed a strong class of 17 pairs. The bull on the left is Willow Lee Wonder 23rd, the second-prize senior calf in a class of 29 at the International. The bull on the right is Willow Lee Wonder 20th, the second-place junior yearling in a class of 17. Both are sons of Drynie Wonder and were members of the second-prize get-of-sire at Chicago. Superlatives are truly in order to describe this great offering of popular bloodlines blended in splendid individuals.

The presentation of this outstanding group is the culmination of much effort on the part of the Ohio breeders to furnish you with one of those infrequent opportunities to begin with the best and to follow up with better.

The bulls are most impressive and are backed by sires that are noted for their ability to transmit prepotency.

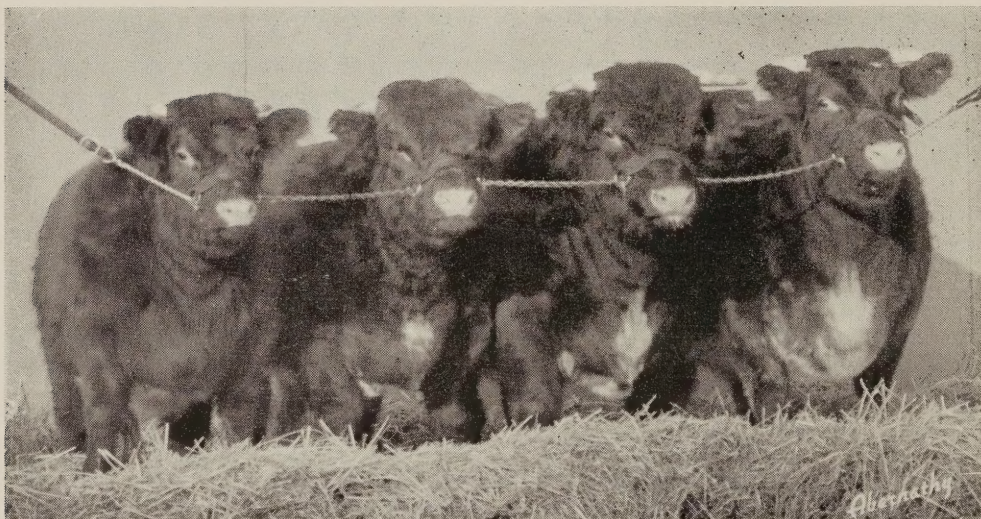

The females are the really fine foundation type for which Ohio breeders are noted.

This undoubtedly will be one of the most distinguished State sale offerings of the year.

The get of Shore Acres Dunrel

Harvey Hoewischer & Son, Sidney, Ohio won fifth prize get at the International Live Stock Exposition, 1954, with Shore Acres Dunrel. Dunrel's Contender, second from left in picture, is Lot 2 in this sale.

House & Benroth, Washington C. H., Ohio, combined these stylish, deep-bodied sons and daughters of Drynie Wonder to win a second-place position in the quality-filled get-of-sire class at the 1954 International Live Stock Exposition. You will find much of the blood of Drynie Wonder being offered in this sale.

★**GREAT ADMIRAL 2745-400.** He is a top son of Imp. Pittodrie Upright and out of the great show and brood cow, Woodshade C Augusta. She was in the Champion pair at the Ohio State Fair as a senior calf and won her class as a senior yearling the following year. She was also the dam of Woodshade C Augusta 3d, the \$1600 heifer sold in the Auglaize County Sale in 1952. Great Admiral has all the qualifications of a potent sire. Note his great depth, thickness and excellent covered loin.

★**DUNREL CONTENDER 2760-793.** We fully appreciate the confidence breeders have gained in the get of Shore Acres Dunrel, and we are sure our consignments to this sale will earn greater admiration for him. Dunrel Contender is out of a great producing cow, a sale champion herself. Her first son was Reserve Champion in our 1953 State Sale; her second son was used as junior herd sire and later sold to Garson Farms where he left some outstanding calves. The third son died at birth, and this calf, her fourth son, looks the part of a great sire. What greater guarantee of performance can you get than to have a bull by an outstanding sire and out of a uniform producing cow? Contender was a member of our 5th prize get at the 1954 International.

His sire, Willow Lee Wonder, was Grand Champion Bull at the 1953 Ohio State Fair; his dam, as a Junior Calf, was Reserve Grand Champion Female at the 1948 International. Drynie Wonder, his famous grandsire, sired two first prize junior gets at Chicago in 1952 and 1953 and the second prize senior get at the 1954 International. Excellent hind quarters, good legs, a lot of bone are some of the outstanding qualities of this dark red individual that stood fourth in his class at the 1954 Ohio State Fair.

★**CLAY HILLS SOUVENIR 38th 2797-287.** This especially short-legged, heavy-boned, rugged calf with a wonderful head and conformation is a full brother to the 1954 Grand Champion Ohio sale bull selling to the Northern Ohio Breeders Co-op for \$1075.00. We like this calf better than his champion brother, as he is a little smoother and makes a better show bull. He certainly will breed beef into his calves.

Miss Betty Royon, vice president of Acadia Farms and newly elected director of the American Shorthorn Breeders' Association with Acadia Primula III, 1954 Ohio state fair grand champion female, bred and owned by Cyrus S. Eaton, owner of Acadia Farms, Northfield, Ohio.

A full sister is in the herd and was the good thick summer yearling we showed in '53—she won her class at the State Show. To enhance the value of this heifer she carried a July 9th service date to Kair Monarch, the promising son of Calrossie Crocus Count that we own in partnership with Mr. and Mrs. Katter. We predict you will hear from this cross—be among the first to share in it. Here is really a great bred heifer that will be among the best sold this year. Calfhood vaccinated.

★**ACADIA SIMPLICITY 2d 2800-157.** A sweet-headed, low-set, deep, thick daughter of Edellyn Royal Leader 144th, the \$7500 bull that headed Edellyn's 1952 show herd and placed second in class to the Grand Champion at the International. Her dam, from the celebrated A. R. Cross herd of Alberta, Canada, combines the most popular Scotch and Canadian bloodlines. Study this heifer's pedigree and then look her over carefully sale day. You'll conclude that she is certainly the kind to lay a foundation for a new herd or strengthen an old one.

FROM SHORTHORNS

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves shall be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment shall be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
